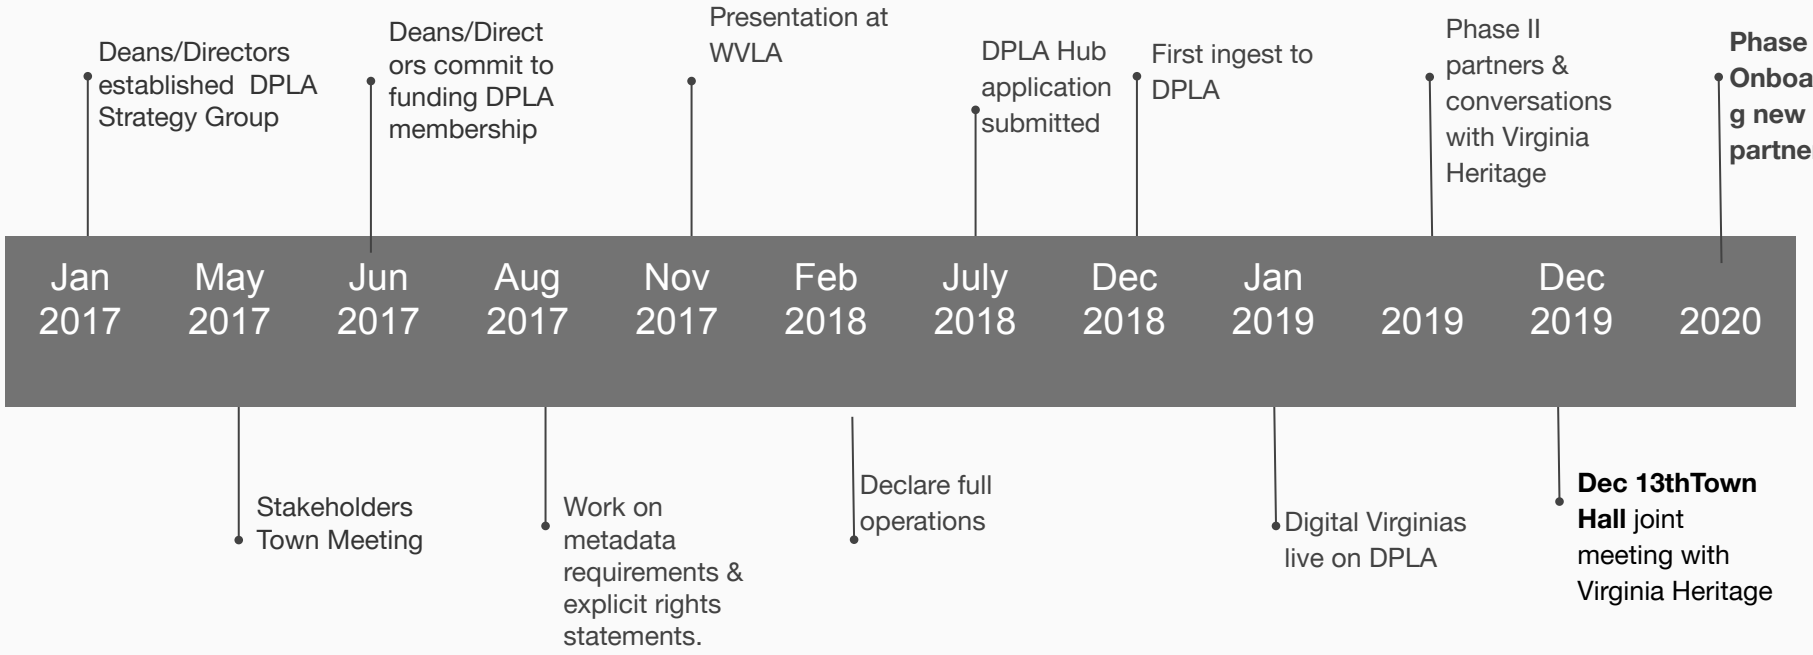
Digital Virginias: Timeline



Discussion

- What are you doing well with your digital projects that you'd like to keep doing, or do better?
- What are your aspirations for your organization's digital projects?
- What are the conditions that, if changed, would allow you to meet those aspirations?
- What are the some vexing questions about digital initiatives that you have not been able to answer?

Next steps

- We'll take your ideas back with us!
