

# GOOGLE CHROME SIGNAGE

## PERPETUAL LICENSES FOR NON-PROFITS

Google offers a perpetual license for access to Google Chrome Management for only \$30. This is thousands less than some other options.

## MAINTENANCE IS EASY

After the initial set up, updating is easy as adding a slide to a Google Slideshow.

## LOW COST

Chrome devices are generally under \$300. Only additional cost is a monitor that supports HDMI and a license per device.

## LIVE UPDATING

Devices can be set to check for new slides at consistent intervals wherever there is internet access.

## WHAT'S NEXT?

We are working on a way to automate updates to the slideshows used for Google Chrome Signage.

## QUESTIONS?

Please contact us with any questions, input on signage or Library IT related inquiries at [libraryIT@nnva.gov](mailto:libraryIT@nnva.gov)
