

Outreach Services for Academic Libraries

Creating a Hub for Learning and Service

Harvey Library
Hampton University

Phyllis Banks
Jaime Newland
Timothy Woodard

What defines a community?

- A *community* can be defined as all the people who live in a particular area, or a group of people who are considered as a unit because of their shared interests or background.
- An *academic community* can be defined as the university, its faculty, staff, students, visitors and the surrounding area.

Library Committees and Outreach

- Each library committee is charged with developing opportunities to address the needs of the internal and external university community.
 - These opportunities help to provide enrichment in the form of programming and service.

List of Committees:

- Technology and Web Services
- Grants Committee
- Collection Development Committee
- Safety and Security
- Assessment
- Staff Development
- Communication
- Hospitality

Internal and External Community Development Initiatives

- Internal-Staff Community
- Staff Development Workshops/Webinars

External Community

- Book Drive

The Up Center
1805 Airline Blvd.
Suffolk, VA 23707
757.397.2121

- Workshop Senator Mamie Locke
“The Importance of Voting”

Advantages of Outreach Services from an Academic Library

- Promotional advertisement for the academic library
- Reaching out in the community

Future Outreach Goals

- Reach out to the Veterans Hospital to advertise our resources
- Promote Virginia Tidewater Consortium (VTC) cards
